DIVISIONS LION AND TIGER brackets are sorted by experience, weight, and age. **DIVISION DRAGON** is ABSOLUTE RULES brackets sorted by weight and age. Lion and Tiger Divisions are double elimination, Dragon is single elimination. If there are not enough female competitors in the different divisions, they will compete in the boys divisions. We reserve the right to combine or subdivide weight and age classes the day of the tournament depending on the number of participants.

EXPERIENCE LEVELS are generally broken down into beginner (6 or less months experience), intermediate (6 -18 months experience), advanced (18 + months experience). This includes experience in BJJ, Submission Wrestling, Judo, School Wrestling etc. Other factors that should be considered is your child's athleticism, participation in other sports (i.e. football, soccer, lacrosse, basketball etc.), and how often they train. Parents and coaches may request NO SUBMISSIONS for children ONLY in the BEGINNER bracket with less than 6 months experience. Remember, our goal is to challenge experienced Jr Grapplers and motivate beginners. The Junior Grappling Association will move competitors up in experience levels based on dominant performance.
